Exciting Career Opportunity: Field Crew Surveyor

Join Our Dynamic Team!

CEA is on the lookout for a dedicated and skilled Field Crew Surveyor to enhance our Survey Department in our South Burlington, VT office. If you're passionate about surveying and eager to make an impact, we want to hear from you!

What You'll Do:

- Play a crucial role in conducting precise field surveys using advanced GPS, total stations, and other state-of-the-art surveying equipment.
- Engage in a variety of survey types including topographic, boundary, construction staking, and as-built surveys.
- Gather and document accurate field data to assist in impactful mapping and design processes.
- Collaborate closely with a talented survey team and project managers to ensure timely project delivery.
- Uphold safety protocols and quality standards while enjoying the great outdoors.
- Maintain and calibrate the latest surveying instruments, ensuring peak performance.
- Build strong communication channels with clients, contractors, and team members to foster productive partnerships.

What We're Looking For:

- A detail-oriented individual with strong problem-solving capabilities.
- An ability to interpret engineering and survey plans effectively.
- Excellent communication skills and a spirit of teamwork.
- Proficiency in modern surveying technology and software (such as AutoCAD, Civil 3D, or similar).
- A fit and energetic individual, ready to tackle various weather and terrain conditions.
- Strong time management skills to juggle multiple projects efficiently.
