Join Our Team as a Project Manager – South Burlington, VT

Are you a skilled **Civil Engineering Project Manager** ready to lead impactful projects while working alongside a passionate, multidisciplinary team? CEA is looking for a driven professional to join our South Burlington, VT office and help shape the future of sustainable site and infrastructure development.

What You'll Do

As a Project Manager at CEA, you'll take the lead on diverse and exciting projects across urban, recreational, residential, commercial, and industrial sectors. Your responsibilities will include:

- Collaborating with engineers, environmental scientists, and landscape architects to craft innovative site/civil engineering solutions.
- Leading design efforts in grading, drainage, utilities, and stormwater systems.
- Managing projects and ensuring financial performance while cultivating strong client relationships.
- Engaging with clients, regulators, and stakeholders to solve challenges and align visions.
- Mentoring junior team members and driving technical excellence.
- Preparing designs, permits, and reports to bring complex projects to life.

Who You Are

You're a creative problem-solver and a collaborative leader with:

- A **BS in Civil Engineering** (master's degree a plus).
- **8+ years of professional experience**, with 11+ years preferred.
- A current **PE license**
- Experience with GIS, HydroCAD, or StormCAD is a bonus.
- Strong interpersonal, communication, and project management skills.

What We Offer You:

- A competitive salary and comprehensive benefits package that includes:
 - Vacation Time commensurate with your experience
 - Paid Holidays and Sick Days
 - 100% Health Insurance Coverage (starts Day 1)
 - 401k Profit Sharing
 - 125 Cafeteria Plan
 - Life and Disability Insurance
